

You're the one who
chooses our default
desktop environment.

When it comes to desktop environments, there isn't a one-size-fits-all choice. That's why we're letting you choose.

During install, you can pick one of the major environments (KDE/GNOME), a lightweight desktop (Xfce/LXDE) or you can go text-only if that's how you roll.

openSUSE. Have a lot of fun!
