

NOTICE OF AUDIO & VIDEO RECORDING

While attending this openSUSE event, your name, voice, statements, picture, and/or documentary or other materials may be included into one or more audio, video, pictorial, or other recordings made at the event by openSUSE or its contractors.

By entering into this event:

- you consent to openSUSE or its contractors creating such recordings;
- you agree that openSUSE shall own all such recordings;
- you authorize openSUSE and its contractors to use, reproduce, retransmit, or otherwise distribute, exhibit or otherwise publicly display, publicly perform, and make derivative works of such recordings, in any or all media now existing or later developed, for openSUSE's commercial purposes, and
- you waive any rights you may otherwise have to review or approve of such recordings or uses;
- you acknowledge that recorded material may become available immediately (live stream) and/or at some later point in time;
- you acknowledge that openSUSE or its contractors have no obligation to do any of the here mentioned activities, even if publicly announced.
