

openSUSE Conference 2013

The openSUSE Conference (oS13) brings together a wide variety of Open Source contributors to collaborate on one of the major Linux distributions. The conference invites all those interested in participating and furthering their understanding of the great openSUSE technologies join us at

www.conference.opensuse.org

The openSUSE Conference (oS13) will bring together a wide variety of Open Source contributors to collaborate on one of the major Linux distributions

praised by the community as one of the most stable distributions and one of the most vibrant open communities in the Linux world.

We welcome those wanting to become involved with this community and surely will listen to your requests.

The conference will be hosted July 18-22, 2013 in Thessaloniki, Greece at the Olympic Museum.
