SHOW YOUR SUPPORT FOR openSUSE AND THE openSUSE CONFERENCE!

Financial support for the openSUSE conference from sponsors is invaluable and crucial for the success of the event. While the countless hours extended by volunteers to orchestrate the event provide the atmosphere and framework for the conference, commercial sponsorship provides the necessary financial backing.
The financial support by our sponsors allows us to allocate funds for the venue, create marketing material, secure keynote speakers, and assist those that contribute to openSUSE but with some financial constraints to attend the conference.

That aside, sponsors can participate in the Conference by having a booth, and help organize social events to increase both the conference atmosphere and visibility, as well as their own.

This is basically the open source way of doing business, garantueeing eveyone benefits!

PARTNERS

Besides the general sponsorships, we are offering few partnership options to give our community some other fun items, like ice cream, coffee & lunches. If you sponsor any of these, your logo and name will be connected to the services and your logo will be part of the partner section of our promotional materials.

Each partnership can be taken independently of a main sponsor package or in combination with sponsorship options Gold, Silver or Bronze.

Depending on the partnership options the costs range from €500 to €4000.
