openSUSE Conference 2013

From 18-22 July, 2013 the openSUSE Conference (oSC13) will bring together a wide variety of Open Source contributors to collaborate on one of the major Linux distribution projects.

The sessions at oSC13 will be about openSUSE, our technology and the Free and Open Source Software (FOSS) community around us. You can meet many of the people that make FOSS happen, learn from and have fun with them!

On a more serious note of PAAAAAARTYYYYY, we asure you that as always we'll have a lot of fun together at our legendary social events, barbecues and excursions!

The conference will be hosted July 18-22, 2013 in Thessaloniki, Greece at the Olympic Museum.
